APPOINTMENT SECURITY

Section 1. If the University makes an offer for appointment to a Graduate Worker (GW) position and the individual to whom the offer was made accepts it, the terms of the offer including level of compensation, benefits, and other terms and conditions of employment shall be honored by the University during the term specified in the offer of appointment, unless the appointment is cancelled due to the departure of the faculty member or PI to whom the GW was assigned or other circumstances where the appointment is ended by the University prior to its completion.

Section 2. In the event the position described in the Letter of Appointment becomes unavailable due to cancellation or similar reasons, the University shall work with the GW to try to find a comparable position for the duration of the appointment.
